Due to the COVID-19 virus outbreak and following government's advice .it is essential that we do our part to reduce the spread of this virus.

We have taken the decision to temporarily close the practice from Friday 27th MARCH.

All being well, we should re-open 9am Tuesday 14th April or longer depending on government's and NHS ENGLAND's advice and guidelines.

We will keep you updated with the latest information .

We will be operating an Emergency Telephone Consultation service for our patients who have urgent pain / swelling or dental trauma during this period of closure. If you urgently need assistance, please call 0207 437 8520 and leave your name and phone number. A member of our team will call you back.

Thank you for your support during these uncertain time.

The dental clinic is committed to maintaining a high standard of service and care to all our staff and patients. We will do our very best to commence normal service as soon as NHS ENGLAND has confirmed it is safe to do so.
